DAHLIAS

FRANK D. PELICANO & SONS

SAN FRANCISCO, CALIFORNIA

Our Guarantee—We guarantee every bulb, root or plant sent out to be true to name and color, and also to be in growing condition when received, after which our responsibility ceases. Please notify at once if anything is unsatisfactory, when received, or any bulb or tuber does not start to grow after planted a reasonable time.

Substitution—We never substitute unless asked to do so, in the order, but would suggest naming a few varieties as second choice.

Name and Address—Be sure to write name and address very plainly in each letter and send same to the address above.

Prices quoted are for field grown divided tuberous dahlia roots.

The American Dahlia Society has established a new classification as follows:

Formal Decorative (F. D.)—Double flowers, broad flat petals, full center, regular in arrangement.

Informal Decorative (I. D.)—Double flowers, long twisted petals and irregular arrangement.

Semi Cactus (S. C.)—Formerly listed as Hybrid Cactus.

Straight and Recurved Cactus (C., R. C.).

Ball—Quilled or Double Dahlias.
